
On pages 4731-4740 in the 17 May 2012 issue, the initial clinical presentation of patient 1 in the article was previously reported in a case study by Cajaiba and Reyes-Múgica that was published in *Human Pathology* in 2009. The clinical and pathologic information pertaining to patient 1 was derived from a clinical database available to authors of both articles. The following reference should have been cited in the article in *Blood*:
