CONTENTS

AMERICAN SOCIETY OF HEMATOLOGY
Hollywood, Florida
December 3-6

Identification of Circulating Micromegakaryocytes in a Case of Refractory Anemia: An Electron Microscopic-Cytotoxic Chemical Study
J. Breton Gorius, B. Dreyfus, C. Sultan, A. Basch, and J. G. d'Oliveira 453

Eosinophilic Fibrohistiocytic Lesion of Bone Marrow: A Distinctive New Morphologic Finding, Probably Related to Drug Hypersensitivity
Arkadi M. Ryvlin, Erwin P. Hoffman, and Rolando S. Ortega 464

Morphologic Studies in a Recently Described Dyserythropoietic State
Arnold I. Freeman, John A. Edwards, Maimon Cohen, and Lucius F. Sinks 473

Distinctions Between Idiopathic Ineffective Erythropoiesis and di Guglielmo's Disease: Clinical and Biochemical Differences
Philip M. Eastman, Richard Schwartz, and Stanley L. Schrier 487

The IgG Subclasses of Red Cell Antibodies and Relationship to Monocyte Binding ......................Neil Abramson and Peter H. Schur 500

Improved Viability of Previously Frozen Platelets ........R. I. Handin and C. R. Valeri 509

Freeze-Etching Studies of Human Platelets .................John C. Hoak 514

Postnatal Fetal and Adult Hemoglobin Synthesis in D1 Trisomy Syndrome
Harry Bard 523

A Light and Electron Microscopic Study of the Lymphomyeloid Complex in Hypervitaminosis A ........Aaron Polliack and Ruth Drexler 528

(Continued on page xiv)
CONTENTS
(Continued from front cover)

Vitamin B₁₂-binding Protein of Leukocytes as a Possible Major Source of the Third Vitamin B₁₂-binding Protein of Serum ........... Ralph Carmel and Victor Herbert 542

The Zeta Sedimentation Ratio .......... Brian S. Bull and J. Douglas Brailsford 550

A Computer-based Teaching Program in Hemostasis ............ Barbara A. Gilchrest, Daniel Deykin, and Howard L. Bleich 560

An Analysis of Hematologic Disorders Presenting in the Private Practice of Hematology ................. David Prager 568

Survey of Staff Positions in Academic Hematology in 1971 Helen M. Ranney, Louis Kinyon, and Harry A. Sultz 574

Abstracts: Fifth Conference on Blood Platelets ................. 585

SPECIAL DEPARTMENTS

Abstracts .................................................. 599

Book Reviews ............................................ 609

Books Received for Review ......................... 614

News and Views ......................................... 615
