JUNE 1989

REVIEW ARTICLES

Review: Acute Lymphoblastic Leukemia: Recent Advances in Biology and Therapy .......... R. Champin and R.P. Gale 2051

RAPID COMMUNICATIONS

TCR γδ Bearing Lymphocyte Clones With Lymphokine-Activated Killer Activity Against Autologous Leukemic Cells ................................................................. A. Bensussan, J.-F. Lagabrielle, and L. Degos 2077
The t(5;14) Chromosomal Translocation in a Case of Acute Lymphocytic Leukemia Joins the Interleukin-3 Gene to the Immunoglobulin Heavy Chain Gene ......................................................................... J.C. Grimaldi and T.C. Meeker 2081

CLINICAL INTERVENTION AND THERAPEUTIC TRIALS

HEMATOPOIESIS

Protective, Restorative, and Therapeutic Properties of Recombinant Colony-Stimulating Factors  
J.E. Talmadge, H. Tribble, R. Pennington, O. Bowersox, M.A. Schneider, P. Castelli, P.L. Black, and F. Abe 2093

HEMOSTASIS AND THROMBOSIS

Isolation and Characterization of the Factor X Friuli Variant ........................................... D.S. Fair, D.J. Revak, J.G. Hubbard, and A. Girolami 2108
Purification and Characterization of Factor VIII 1,689-Cys: A Nonfunctional Cofactor Occurring in a Patient With Severe Hemophilia A ................................................................................................................. D.P. O'Brien and E.G.D. Tuddenham 2117
Partial Gene Deletion in a Family With Factor X Deficiency ....................... F. Bernardi, G. Marchetti, P. Patracchini, S. Volinia, D. Gemmati, P. Simioni, and A. Girolami 2123

IMMUNOBIOLOGY

Elevated Soluble Interleukin-2 Receptor in Childhood Hemophagocytic Histiocytic Syndromes .......... D.M. Komp, J. McNamara, and P. Buckley 2128
B-Cell Reconstitution After Autologous Bone Marrow Transplantation: Increase in Serum CD23 ("IgE-Binding Factor") Precedes IgE and B-Cell Regeneration .......... M. Bengtsson, J. Gordon, L. Flores-Romo, J.A. Cairns, B. Smedmyr, G. Öberg, B. Simonsson, and T. H. Törnnerman 2139

All manuscripts submitted to BLOOD and subsequently accepted for publication will be assessed a $50.00 charge per published page. This charge is necessary to offset the increasing costs of publication.

All manuscripts submitted for consideration for publication in BLOOD should be sent to: Arthur W. Nienhuis, M.D., Editor, BLOOD, The Journal of the American Society of Hematology, 9650 Rockville Pike, Bethesda, MD 20814. For other information, call (301) 571-1895.

The American Society of Hematology certifies that the continuing medical education offering provided by BLOOD, The Journal of The American Society of Hematology, meets the criteria for up to 22 hours of credit in Category 5(a) for the Physician’s Recognition Award of the American Medical Association.
