ERRATUM

In the article by Cramer et al, entitled “Differential Redistribution of Platelet Glycoproteins Ib and IIb-IIIa After Plasmin Stimulation” which appeared in the February 15, 1991 issue (Vol 77, No 4, pp 694-699), line 2 of the abstract was incorrectly represented. The corrected sentence should read “The subcellular localization of the platelet membrane receptors glycoproteins (GP) Ib and IIb/IIIa has been studied within resting platelets by a combination of biochemical and cytochemical techniques.”
