

Errata

In the article by Seidel et al, entitled “Serum syndecan-1: a new independent prognostic marker in multiple myeloma,” which appeared in the January 15, 2000, issue of Blood (95:388-392), a correction should be noted. Throughout the manuscript, “heparin sulfate” should be “heparan sulfate.”

In the article by Avent et al, entitled “The Rh blood group system: a review,” which appeared in the January 15, 2000, issue of Blood (95:375-387), Figures 3, 4, and 7 were adapted from the ones that will appear in Seminars in Hematology (Vol 37, no 2, 2000) and were a prepublication communication by Dr Cheng-Han Huang of the New York Blood Center. His name was inadvertently omitted from the list of acknowledged individuals.
